Get Involved!

Did you know it takes as much as 500 volunteer hours for us to play a week of baseball? These volunteers include head coaches, assistant coaches, team moms, concession workers, umpires, (**we do pay them, but they are not getting much**) scorekeepers, field maintenance crews and more. In fact, volunteers are what MAKE Jessamine County Youth Baseball a success.

Below you'll see a couple of the ways you can get involved. Visit our website and check out the Volunteer page to see all the ways you can help.

Coaching

Coaching can be a fun and rewarding way to volunteer your time. It's a fact that our coaches spend more time interacting with the participants of our league than any other volunteer.

Keeping with our mission to instill good sportsmanship, team play, honesty, loyalty, and respect for authority within our community, JCYB strives to find the best quality coaches to serve our league.

If you are interested in coaching this season please visit our website and download a coaching application.

Head Coaches for the 2008 season **will be required** to complete the Level 1 Cal Ripken Coaches Certification. More information can be found at: <http://www.ripkencoaching.org/>

Field Maintenance/Grounds Crew

Field Maintenance

Preparing our fields for play is hard work. It takes hundreds of hours of moving dirt, raking, tilling, cutting grass, weed eating, painting, building maintenance and more before the first pitch ever gets thrown out.

If you have the time, the equipment or both; Jessamine County Youth Baseball could use your help getting ready for the 2008 season. Watch our website and your email for more information about scheduled field maintenance days.

Grounds Crew

Nobody hates a rain out more than an excited young baseball player. Many rainouts are avoidable with the right number of volunteers. Let's try to keep the rainouts to a minimum in 2008 and all come out and pitch in to get the fields playable even after a little rain.
