Spring 2008 Right Around the Corner

Letter from the President

Jessamine County families and neighbors,

Although winter is here in earnest, it's not too early to begin thinking about the sights and sounds of baseball in the spring. We're hard at work behind the scenes preparing for the first pitch of spring baseball on April 12th.

Things are shaping up to be an exciting year. We have many new faces at JCYB and we are looking forward to providing a great family experience for all. Just a few weeks ago we had a dedicated group of volunteers working hard to get our fields into tip top shape (check out the action shots on line!). We will have another work day **Saturday February 9th** to add some more finishing touches to the park. Also, this year all team managers will obtain a nationally recognized coaching certification to help provide the consistent top quality instruction we all have come to expect.

We have two sign-up dates remaining, one on **Thursday, February 7th** and the other on **Saturday, February 9th** so please don't forget to register your sons and daughters for the spring 2008 season. Also, with so many new families moving into the area, please spread the word about Jessamine County Youth Baseball and share this information with friends and neighbors.

Please visit our website at www.jcyb.org for more information and how you can get involved to provide a great baseball experience for our children. Thanks to you and your family's participation, JCYB will be the organization we can all be proud of! Thank you in advance for your support in the 2008 season.

Please use our comments section on the web if you have any questions or suggestions. On behalf of the Board of Directors of Jessamine County Youth Baseball we thank you again for you and your family's support. Let's play ball!

Best regards,

Anthony Gann
President, JCYB

Volunteer Opportunities

Field Maintenance Day – 2/9/2008

With opening day right around the corner we are hoping for a big turnout at this weekend's field maintenance day. We still have a lot of work to do to get ready for our big day and hope you'll come out to lend a hand.

We'll have bobcats, tractors, tillers etc.; all there to help us get the job done. But without help from people like you we will not accomplish all of our goals this Saturday.

The fun begins at 10:00 am this Saturday and will continue most of the day.

We hope you'll come and lend us a hand as we prepare for another great baseball season.

Remember, we are a volunteer organization. Let's all pitch in together and make this season a memorable one for all the players, families, and friends of JCYB.
