Letter from the President

Hello JCYB,

I hope that everyone is well this soggy spring. I am excited about the level of enthusiasm and participation we have had already this season. I want to send out a big thank you to the many people and organizations that have already donated their time and resources to the league this year.

In conjunction with Cal Ripken Baseball and through cooperation with our city and county governments, let's all strive to promote the developmental growth of our youth in a positive environment through the game of baseball this season. With good sportsmanship and team play we can inspire honesty, loyalty, and respect for one another within our community.

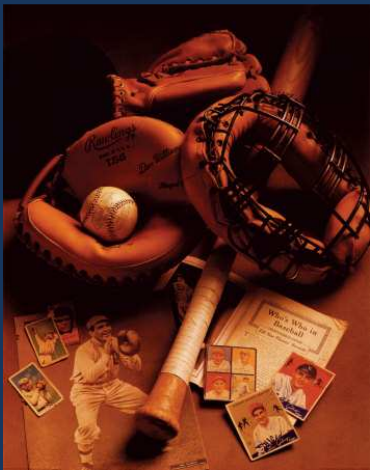

JCYB is a door to greater opportunities in life for our young participants but none of these will occur without everyone's support. As individuals we may seem like a small hinge on a big door, but there is a big door, the door of JCYB, that hinges on all of us. As that hinge, let's stay positive and through the game of baseball go that extra mile for our children and the children of the community.

We've had a couple days of nice weather in a row and they will begin to get more frequent over the next few weeks; so let's find those sunglasses and ball caps and get out to the ballpark for a season of great fun and excitement.

Best regards,

Anthony Gann
President JCYB

Jessamine County Youth Baseball

Volunteer Opportunities

Thank you...Thank you...Thank you...

With the tremendous amount of rain we've received, getting the fields ready has been a chore. There have also been a few other "behind the scenes" items, which you may not be aware of, that we've dealt with along with the help of many volunteers this off-season:

- A devastating leak during the off-season that forced us to replace walls and ceilings in the concession stand and women's restroom.
- We removed the scorekeeper's boxes from the tops of the Major and Minor league dugouts and replaced the roofs on those dugouts.
- Revamped the batting cage to give coaches and players a bit more room while using it.
- Jailer Moss and his staff have been helping keep the park clean by picking up the trash and debris from the park twice a week.

All these things and more were accomplished with the help of many volunteers. We'll attempt to list them all here and apologize in advance to anyone we've inadvertently left behind:

- | | |
|---|--|
| Tim Emberton (Plant Masters) | Stratton Lumber (donation of drywall for concession repairs) |
| Ron Shearer (Bluegrass Metal Bldg) | Robert Williams (dugout roofs) |
| Ron Eldridge (Eldridge Construction & Excavation) | Steve and Jennifer Maynard (baseballs) |
| Sammy Brown | Jessamine County/Nicholasville City Governments |
| Wyatt Wilson | |
| Perry Barnhardt | |
| Brian Gunn (Plumbing Help) | |

Updates to JCYB.org

We've added a few new features to our website, JCYB.org, this off season.

- Quiz of the Week
 - Each week we have a trivia question posted on our site. Anyone who answers the question correctly will be entered in a drawing to win a prize that week.
- Papa Murphy's Player of the Week
 - Papa Murphy's will be providing us with MVP certificates for coaches to give out following each game. We will choose, at random, 1 player from each division to be featured weekly on our website.
